

Blazer Housing News

A Newsletter for Current Residence Hall students and their family

Fall 2011

Director's Note

Welcome!

The Housing and Residence Life Office will send out a newsletter each semester to establish a clear path of communication with Blazer parents. "Blazer Housing News" will contain information about hall opening and closings, as well as general office updates that may or may not affect your son or daughter and his or her living arrangements. I highly encourage you to contact us via phone, e-mail or standard mail if you have any questions or concerns. Our web site is constantly being updated, so be sure to keep <http://housing.valdosta.edu> bookmarked on your Web browser.

We have dedicated undergraduate student leaders and full-time/graduate professionals in each residence hall to make your student's stay as

personally enriching as possible. Now that midterms are finished, it is time for every student to study hard and do well on his or her final exams. The in-hall staff can help to make this a reality. Feel free to ask your son or daughter if they are consulting his or her Resident Assistant (RA) regularly. The professional staff is here to assist students with their social and intellectual development, and to direct them to the proper campus resources for additional help.

A couple of resources for you to be aware of are the Parent's Resource Center located at <http://www.valdosta.edu/prc/> and the Parents and Families Association at <http://www.valdosta.edu/pfa/>. Both are part of VSU's ongoing effort to remain connected to the best

partners we have, our students' "home team." Also be sure to add yourself to our new parent listserv where we will also keep in touch with you. The signup is off our homepage on the right hand side entitled "Parents stay updated with Housing news".

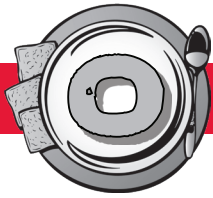

I hope that your student has a good experience living with us this semester and look forward to continuing dialogue in the spring semester.

Sincerely,

Dr. Thomas W. Hardy
Director, Housing and Residence Life

Room Selection for the 2012-2013 School Year

Room selection is the process in which current residence hall students are able to sign up for a space to live on campus. Spaces are assigned on a first-come, first-served basis, with students in a higher class standing and/or those with higher GPAs accommodated first. Look for a December letter mailed to your home with more specific details about how this process works. If your student plans to live on campus for the 2012-2013 academic school year, please pay particular attention to the December letter. Note: housing is not guaranteed all four years. Each year is a separate contract. If you have any questions before then, or if you do not receive a letter by December 17th, contact the Housing and Residence Life Office at (229) 333-5920.

OUT TO LUNCH!

The Office of Housing and Residence Life and Campus Dining, proudly announce a unique opportunity for on-campus residents. "Out to Lunch!" offers students the opportunity to invite a professor or other faculty member to lunch at no cost to that faculty member. (The student will need to use his or her own meal plan to cover his or her own meal).

During lunch, students and faculty can get to know each other better and discuss various topics such as: grades, class assignments, study opportunities, the professor's background, and common interests.

For more information, or to obtain a meal ticket for your esteemed professor, please visit the Office of Housing and Residence Life in Hopper Hall or email Sarah VanKuiken at slvankuiken@valdosta.edu.

Promoting success of *Campus Residents*

Meet the Staff!

The Office of Housing and Residence Life is excited to introduce you to the hall-level members of the team. This year, there are 15 graduate assistants and two complex directors working in the office and the residence halls. Their full contact and biographical information is available on the Housing and Residence Life website. Here is a quick look at some of the new people on staff:

Complex Directors

Complex Director for Georgia, Langdale, and Reade Hall

After spending a year in the cold state of Maine, Bonnie Brackett is excited to return to her home state of Georgia and begin working at VSU as a Complex Director. Bonnie is originally from East Point, Georgia on the southern side of Atlanta. Although Bonnie originally wanted to plan weddings and graduated with a B.S. in Leisure and Sport Management from Elon University in Elon, North Carolina, she discovered the field of Student Affairs and decided to shift career

paths. After working as a Graduate Resident and completing her M.Ed. in College Student Affairs Administration at the University of Georgia in 2010, Bonnie headed north where she was the Assistant Director for Residence Life and Housing at the University of Maine at Farmington for a year. Now she is ready for a return to the warm weather and charm of the south!

During her college years, Bonnie was very active in many aspects of Student Affairs, including residence life, leadership, orientation, admissions, and community service. Bonnie spent several years as president of the Resident Student Association at Elon University and held two positions on the SAACURH Executive Committee while at the University of Georgia before moving into an advisor role for the Campus Residence Council at the University of Maine at Farmington. Bonnie is excited to be working at a school with a strong RHA and NRHH in her home region!

When Bonnie is not working with students and staff, she enjoys cooking and baking, reading, watching television, cheering on the Elon Phoenix and Georgia Dawgs, shopping, and traveling. The Georgia coast holds a special place in her heart and Bonnie is looking forward to many trips to Jekyll Island and the surrounding coastal area. Bonnie is also involved with the Young Alumni Council at Elon and travels back to North Carolina several times a year for Young Alumni meetings.

Don't hesitate to stop by Bonnie's office and say hello! Bonnie is always eager to talk with students and share some candy or homemade cookies!

Frequently Asked Questions:

What if my student cannot come home during breaks?

Centennial Hall is the only building that will remain open during the thanksgiving, winter and spring breaks. If your student can not go home, they will need to make other arrangements.

During semester breaks, may my student leave his/her belongings in his/her room?

Yes, however, the department of Housing and Residence Life is not responsible for loss or damage to these possessions. Please encourage your student to take home valuables if there is a concern.

What if my student wants to change rooms or move to another residence hall?

The room change process began on Monday, Aug. 29. The first week of room changes, students were granted moves within their current residence hall. The second week students were allowed to request moves between residence halls. After this two week period, students will be able to continue to request moves for both in and out of hall changes.

Can my student break his/her housing contract to move off campus?

The traditional hall contract is for the academic year, while a Centennial Hall contract is for 12 months. Residents wishing to terminate their residence hall contract during the contract period while remaining enrolled at the university, may do so by paying 50 percent of the remaining value of the contract and forfeiting the \$300 deposit. However, first year students are subject to the Freshmen Residency Policy. Specific details are available at the Housing and Residence Life Office.

Who is responsible for my student's property?

Your student is responsible for his/her own property. Although precautions are taken to maintain adequate security, the university cannot assume the responsibility for the loss or damage to student possessions. We encourage you to carry appropriate insurance to cover such losses.

Is it possible for my student to work part-time in the residence hall?

Yes. The Office of Housing and Residence Life employs students as resident assistants, student assistants, night operations personnel, facilities assistants, and front desk workers. Please refer to the housing website for more information and available postings.

If I send my student money in the form of a check, will the University cash the check?

Yes. The Bursary will cash checks for a maximum of \$50 with a VSU ID and a driver's license present.

Where can my student go for medical attention if he/she gets sick?

Valdosta State has a state-of-the-art Student Health Center for students that need medical attention. At the Student Health Center, there is a full staff of physicians, nurse practitioners, registered nurses, licensed practical nurses, medical technologists, a pharmacist and clerical staff. Please encourage your student(s) to take advantage of this service, especially during the cold/flu season. To ensure that all students can be seen in a timely and orderly fashion, students will need to call ahead to make an appointment with a provider at (229) 219-3200 or go online to schedule an appointment. Our website is <http://services.valdosta.edu/health/>.

How can my student keep up with his/her grades?

Students will be able to view In-progress grades by logging into their banner account, select "Student and Financial Aid", then "Student Records" and finally "In-progress Grades".

Early registration for spring 2012 will begin Oct. 31 for Seniors, Nov. 1 for Juniors, Nov. 2 for Sophomores, and Nov. 3 for Freshmen.

Move-In Day 2011

On Aug. 10 and 11, new students arrived on campus to begin their college experience at Valdosta State University. You could tell some of them had planned, prepared and packed every item they thought they would ever need. The moving of packed items can be a rough and tough job, and recognition needs to go out to the countless number of volunteers including a number of students, faculty, administrators and community members. Over the years, the organization of volunteers and the planning of how to assist students and parents on this day have been discussed. As a result, there is a Move-in Day Committee that meets and attempts to plan the best

way to assist new students and parents as they move-in on this day. These plans include a variety of issues concerning parking, traffic flow, assisting students in moving items, removal of trash, offering of ice water and much more.

Thanks to the many hours of planning and volunteering, this year proved to be a success. We recognize that everyone may not feel the same way about Move-in Day; therefore, we welcome any positive and negative feedback, as well as ideas for the future. You may send your ideas via email to housing@valdosta.edu or call (229) 333-5920 and speak with a staff member.
