In order to properly place you with a roommate/s, please take a moment to respond to these questions:

I like to live in a room that is generally:

- Casual – my space is fairly clean but not always picked up
- Messy – looks like a tornado went through
- Neat – I like things orderly, neat and tidy

When studying, I generally prefer:

- A quiet location by myself
- To study alone with a little music or TV in the background
- To study with another person

I plan to use my room for:

- Relaxing and spending time with friends
- Sleeping, and that's about it
- Studying

I prefer the noise level in my room to be:

- Flexible – I know there is a time for noise and a time for quiet
- High energy – I like to have music or the television on always
- Quiet – I'm generally low-key and mellow most of the time

The best way to approach me about an issue would be:

- Schedule a meeting and talk at that time
- Tell me face to face right away
- Write me a note

The relationship I anticipate with my roommates is:

- I do not know what to expect from this experience
- They are people I live with, nothing more
- They will be my new best friends

I expect to be going to sleep:

- After 1 a.m.
- Before 11 p.m.
- Between 11 p.m. and 1 a.m.

I prefer a roommate that is a:

- Smoker
- Nonsmoker
- No preference

Are you a smoker: Yes No

Music Preference: Country Rock Jazz
(check as many as desired) Rap Pop Alternative
 Christian Gospel
